

Mandala Template

Created for you by Kim Victoria

The darkest lines indicate an 8" X 8" mandala.

The extra circles provide a start for you to go up to a 12" X 12" size paper.

Mandala Template

Use this template if you want to make a card-size mandala
Measure your card and transfer those measurements over
the center of the template.

Each circle is in even inches increments.

Print these sheets as many times as you want.

And have fun.

I hope these templates help.
